

CYPRESS LANDING MENS GOLF ASSOCIATION

Cypress Landing Men’s Golf Association = Fun formats, competitive golf, and friendships!

It is that time of the year to join or rejoin the Cypress Landing Men’s Golf Association. Eric Johnson and team are gearing up for another great year of golf.

This year, we will make a few changes. More details will be communicated at the kick off meeting, but some i

- We will be keeping some of the new events that were introduced last year and eliminating others. We will be exploring other new games this year!
- Ringers, which is a season long game where players lowest net score, per hole, is recorded, and per flight, winners will be lowest score for the year.
 - This year, flights will be done by tee box so players will be competing with others within the same tee box and will use golfer’s handicap index to help create competitive flights.
- Shotgun Starts – Last year we added many more Shotgun Starts to help with the heat we experience.
- Lunches – We will work with Brad and grill on MGA sponsored lunches.
- Coakley, a season long match play tournament, will continue. We will continue to allow teams to play during our weekly events, with some weeks devoted to scheduled matches along with another event for that week. The Sign-up sheet will be at the club cork board in the next few weeks.
- And much, much more!!!!

Dues will remain at \$30. Members will automatically be included in the yearlong Ringers tournament at \$10 per member that will be charged to your account **unless you opt out**. Ringer flights will be established by tees and your December 1st, 2026 Handicap Index. Only scores from your original tees will count for Ringers.

Spring meeting will be on Thursday, April 2nd, 2026 and opening day will be Wednesday April 8th, 2026. To join/rejoin please fill out the form below and turn it in to the CL MGA mailbox at the Business Managers office at the golf shop along with a check for \$30 made out to CLMGA. **Please complete and hand-in no later than 03/15/26**, but as soon as possible so we can begin to work on events, etc.

Eric Johnson – President

Brian Murphy – Vice President

Andy Smith- Treasurer/Secretary
